“ Our hearts are heavy with grief and sadness with the passing of my older brother Dave. He was more of a father to me than a brother. He helped my mother raise me and my other brother and sister. But since I was the baby of the family and was badly burned when I was two years old, Dave took me under his wing and cared for me. My health keeps me from being able to attend his service. But when Dave was in the hospital this last time I was able to go and see him. We had a wonderful visit and I thank God for that time we had together. I will always miss him , but I know where he is and one day I'll see him again. Audrey hold onto God's hand he is there with you. Blessed are they that mourn for they shall be comforted. This is not good bye Dave just see you after awhile.
Your Brother Toney and wife Corkey.

“ I will always remember Dave kissing me on my head when he would come into the sanctuary. He would grin and say, "I love ya". Dave was a sweet person and friend. To his family, I am praying for you all for I know Dave will be sadly missed. Another great warrior has reached his heavenly reward.
