“ I was shocked when I saw the passing of David. He and I worked together at Goodyear and were hired a week apart but I knew him before from the days he spent with my uncle Morris Powell. He will be sorely missed. My prayers are with the family. May God bless you in this time of sorrow.

“ I was sorry to hear of your father's death. I worked with your mother, Callie, at Food World and thought so much of her. Callie loved David. Perhaps they both are together forever now in perfect health. My prayers are with all of you.

“ I am very sorry for your loss. David and I worked together at Goodyear and he was a great guy. Since I have family in the Cedar Bluff area we often talked about things. I remember him telling me why he quit the mine and ended up in Danville. Smart move. May your memories keep him in your hearts.
