“ *Belinda:*

My heart goes out to you and your family during this difficult loss for all of you. I was so shocked when I read the obituary in the paper late last night. I am so sorry that I am unable to attend the memorial service today, but please know that my prayers are with you. David always seemed so happy, always willing to help, and truly cared about others. I still have a wooden deer that he and the boys made for me one year for Christmas, and it has been a part of my Christmas decorations ever since. I will keep you and your family in my prayers and hope to see you soon.

*Love to you,
Teresa Curran*
