“ *David was indeed a gentle giant, heart full of love and laughter, and a fierce dedication to his family. I'm so lucky to have gotten to be a part of his life as a child and as a man. We took him and his brothers camping, it was an interesting weekend. They kept Scott & I very busy with fishing, swimming and eating, LOL. Looking back on it, I'm so glad he, his brothers, and parents were a part of our every day lives and that we are family. <3*
