“ *Preacher Blevins and Family,
For Dawn eternity has stared. She is not
suffering with all the ailments of this life and
not in any pain for this has passed away. I
want to share something with you all that few
people know.*

*There was a time in my life that I had many fears, anxiety, and
panic. My family did not know what to do but pray and my husband
was so worried about me. My dad, Ben Poovey was friends with
Bro. Blevins and he told him to have me come see your mother.
She was so kind and she understood what I needed to hear and the
things that I could do to help and we had prayer together. I will
never forget because she took time to listen and to help me.
We are remembering all of you today in prayer as we asked our
Lord to wrap his arms around you. May he tenderly hold you and
comfort you throughout the coming days and weeks ahead.*
