“ I used to drive a dump truck for J & P Contractors when Dennis ran the plant for APAC, we had some of the best times ever. I ran into him once at Myrtle Beach and once again we had so much fun, it started raining that day at the beach and he got a trash bag out of a trash can and used it as a rain coat. I used to haul out of a sawmill in ringgold and he would stop and see me often. Had not seen him in years. He was my friend. Love and prayers to the family.

“ *I grew up in the same small neighborhood with all the Richardson boys. Dennis was always in the group and was fun to be around and share life. He will be missed by many but never forgotten. My heart and prayers go out to the entire family. While Dennis will be missed here, he will be welcomed in Heaven by our Lord and Savior.*
