“*Montane and Kim, I am so sad to read about this today. Donald is one of the finest men I ever met. He had such a kind heart and loved you and Kim to pieces. I had the pleasure of working with Montine at Womack Electric for over 14 years and love this family dearly. We had a couple of store get togethers at their beautiful home and was always welcomed with loving arms. I will continue to pray for you Montine and Kim and the extended family.* 🙏🙏

“*My condolences to Donald's family. I grew up directly across the street from the Belcher's and although I was mostly friends with Cheryl, my two older brothers were buddies of the Belcher boys. Those were definitely the good old days growing up in the 60's and 70's on Stanley Drive.*

“ Growing up with all our cousins, I always loved Donald's (Donald duck) impersonization because he was so good putting others at ease. Our Christmas's were always so great because we were such a large, close knit group, and our family has loss a kind, gentle spirit with a twinkle in his eye that I know was mischief. I rejoice that he is in heaven with his parents, grandparents, aunts and uncles and is waiting for us to join him. Prayers for Montine and Kimberly as well as Ronald, Cheryl, Teresa and Kay at a time of such great loss.
