PS

“ To the family... Donald and I had only talked a couple of times. He was waiting for transport to go visit his Mom the last time I saw him. I am so sorry for your loss. I pray that God will enfold you in His arms and give you peace and comfort. I know how hard it is to let go. Cry when you want to cry. Grieve because it will help with the healing process. He will always be with you in your hearts. Remember the good times. Someday, you'll met again. God Bless you always.
