“ *I really hate to hear of Donald's passing. We were not very close but I always did think a lot of Donald, he was a great guy and hugger!!! I really hate it for Hannah, she was the apple of his eye and no doubt a daddys girl. Being one my self I know this will be extremely hard on her for the rest of her life. My condolences to the entire family.*

“ Precious family!!! I remember Donald and his 2 brothers coming to church as little boys. One with dark hair, one with red hair and one with blonde hair. Such cute little boys that grew up to be faithful men. I had an issue with my electric 4 or 5 years ago and this call was transferred to Donald. I knew who he was but had not seen him in his grownup years to my remembrance. He was so kind and helpful and knowing i had lost my husband he told me that day to call him if i ever needed help with anything, and he would recommend those who could help and wouldn't overcharge. I can't even begin to share the many that he would recommend. He would always say, just call/text me first.

Such a kind heart and giving spirit. I am sorry I didnt know him in his adult years but i knew my husband and family did. There are no words to share to bring comfort but it is my prayer that the family will feel a peace that is beyond understanding that will only be a gift from God.

Fly high dear one. And keep helping others in heaven. I know God has a place prepared just for you. To the family, keep holding onto the memories. Precious memories of a life well lived.
