“ I have a lot of memories with Donna, staying over her house and she would get Mom to cut her hair. A lot of good times at Bonner and GW, it's so hard to believe she's gone. She was a beautiful person inside and out and I will miss her dearly. Loved you Tami Pearson Voges

Donna has been my friend for the past 9 yrs. We shared everything about our lives. She was soooo proud of, and loved, her daughter and her children. One of our best memories was going to the beach. She had such a big heart and I will miss her every single day of the rest of my life. 💔🥹

“ Donna and I were good friends at Bonner and GW. We lived close by and would meet in the middle and hang out and talk. She was beautiful and sweet. We shared a love for animals. My daddy and her daddy played ball together. I regret that we did not keep up our friendship but I have fond memories of her. Love to the family. Kim Ingram Snead GW class of '83

“ When I was working at Nikki's with Donna's daughter, she would come in to eat. I was really struggling back then & people treated me harshly. For good reason, I wasn't living right. But Donna didn't. Neither did her daughter Nikki. They both treated me with dignity. People like that are rare & this community will feel this loss. Sending all my love to her family, especially her daughter & grandbabies 💜
