“ Donnie made me laugh so many times. I loved his stories, trivia of all kinds, and the way he talked about his family. I would tease him about strawberries and tomatoes knowing that he would come back with a witty comment since he disliked them. I giggled every time he'd tell the story of picking strawberries all day when he was young and afterwards, the man paid him with strawberries. I miss him at work so much. My heart goes out to his family. Linda Dalton
