“ I remember Dorothy was always a working woman,we use to help my uncle Pete in tobacco and she would work in it ,then stop and go cook a huge meal for everybody to eat for lunch and then get ready to go to work in Dan River Mills. I always called her Aunt Dorothy,she was so sweet and ,I just always felt like she was my Aunt. Heaven got them a good cook I'll tell you that and she don't put up with no junk!
