“ Tommy, Judy and Angela, My sympathy to you all at the loss of Mrs Snead. My memory of her is a quick smile and eyes that sparkled when one of you came within her sight. She has left each of you precious memories that in time will soften the hurt of such a huge loss. How lucky we all have been to know such a kind and dear lady, a real lady.
Fondly, Ginger

I am eternally grateful to my dear, sweet, Aunt Dot for the many, many times she prepared LOTS of food, and cleaned up after a Sunday dinner for her in-laws and her "passle" (a word she used) of neices and nephews who descended on "Grandma's house": which was also Aunt Dot's house, almost every weekend. She always had a smile, a quiet happy face, and a hug for her energetic "young-uns" who ran in and out of her house, played the piano in the front hall constantly, and begged to feed her chickens every time.

As the years went by, she was always welcoming, faithful, loyal, and loving. She helped shape my life and gave me a foundation of love and security upon which to build. I know she is with her loved ones who have gone before, and with her Heavenly Father.

My love and prayers are with all of you in the family.
