*To my sweet brother Earl. you and I grew up together and it was not supposed to end this way. You left way to soon. We had some great times together. You were so funny Earl, You would always make me laugh even when I didn't want to. You also didn't want me to cry either. You said that if I cried you would cry too and you didn't want to cry because you wanted to be happy. How can I not cry when I miss you so much. I will always love you and I know I will see you again some day. Your sister Sylvia*
