“ I don't even know where to start or what to say. I have known Edward since I was a very young teen. I have many memories from those days. I knew his whole family, a piece of my heart resides in the house he and Joan grew up in. Spent many, many days there. He was always the annoying younger brother, but I liked ed a lot. He was the coolest little young friend I had. I didn't hear of his passing until a day or 2 after. You will be missed greatly, and my heart goes out to his sister Joan who cared for him all the way to the end. She has been a rock, a solid foundation for him. She has endured so much, yet she stays strong. My heart and prayers go out to not only her but to the rest of his family and friends. May you Rest in Peace Edward, until we meet again.

“Joan, I am so sorry over the loss of Ed. This street will not be the same. There have been so many family members that have gone on to heaven. Ed isn't sick any more, he is with our Precious Savior and with his mom, dad, his grandma Amy and granny and poppy Carter.

“Joan and family,
We are so sorry to hear of Edward's passing. I have so many wonderful memories of all of us growing up and playing together on Beech Avenue (Joan, Edward, Keith, Mike, Sherri, Jim and me), the Christmases and the get-togethers. Edward was a very talented carpenter--he could do anything he set his mind to. May God rest his soul. Our thoughts and prayers are with you during this very difficult time. Love, Carolyn and Jon
