“ Love you Grandpa! We are gonna miss you more than you know. Life will be a little less crazy without you in it but we will do our best to keep the crazy Marlowe style alive. I could always count on you, whether it was a kick in the backside that I needed or someone to come sit on a chair with a beer and “supervise” my home improvement projects. Take care of Granny and Daddy (Lynn) until we get there!

“ So many wonderful memories with both Doug and Kitty. Doug was always proud of being a Navy veteran. Our trip to NYC to tour a ship that he'd been on is one of my favorite memories of all time. So glad that they have reunited in Heaven. We will all miss them everyday til we meet again.
