“ Tracy, Trent, and Todd,
It saddens me to hear the news of your dad's passing. Although Ed and I have not crossed paths much in the past 25 years we did stay in touch. I love and respect your dad as much as anyone I have known. As you know Ed gave me a chance at a young age to manage one of his branches. His confidence, support and guidance helped me in every step of my journey thru the business world. That same support with caring was given when I ventured out starting my own company. I will always cherish the memories of the trips and time we spent together. I know you are hurting and I pray for God's peace to be with you three. Ed may not be with us today on earth but his impact will last all of our lifetimes. He was truly a MAN in a world that seems to be losing its manhood.

I am so sorry for the loss of your Dad. It is always difficult knowing that they will no longer be home but are now at their eternal home where we cannot visit. But some day, in the twinkling of an eye, we will be transformed and we will see our loved ones. You and your family are in my prayers. I know God carries us through these most difficult of times.

Ed was a good friend. Ed had a good sense of humor and we had many good times at Lake Lure. We were boat partners for many years. He will be missed. Rest in Peace Ed. My condolence to Tracy, Trent and Todd.
