“ *It is with great sadness to learn that such a beautiful soul who cared so much for her family, friends, church and especially her concern for all animals that she would take the time to post lost pets or pets needing good homes. You were an earth angel that is now free to fly high into the heavens to shine your light! But here on earth it will be a little more darker because you took that beautiful light with you! Be at peace in heaven my dear friend.*

“ Elaine and her family lived 2 doors down from my family in Swain Acres. She gave me my first two 45 records for a birthday present. She also pinned me to the floor once to make me stop teasing my sister. I thought a lot of her. When I visited Washington DC in 2021, I made a point to find her father's name on the Vietnam Memorial wall.

*It is with great sadness to know of this special lady passing. Elaine
loved Christ, family, friends, church and especially lost pets or finding
shelter pets homes.
She will always be remembered for her kindness and sense of humor.
She carried a bright light that lit up the world and now the world is a
little darker because she took that bright light with her. Be free from
pain and soar high into the heavens my dear friend!*
