“ I first met Elsie when I came to work at King's Dept. Store as an 18 year old just out of high school. We worked together for 7 years before she moved on to other adventures. I have never forgotten the friendship and guidance she gave to me and we tried to stay in touch as much as possible through the years. I did not hear of her passing until I picked up the paper late Sunday afternoon. Please know I am praying for each of you as you go through these difficult days. - Shirley Yeatts Hammock
