“ My deepest sympathy to all the family. To Linda and Martha, you were my two best friends many years ago. I remember spending nights in your home where your mother welcomed me. Regretfully, due to health issues of my own, I will not be able to attend the services. Please know that my thoughts and prayers are with all of you. Love, Sue Riddle

She was easily the best person I knew by a long shot so I feel blessed to have had her in my life for almost 52 years so now heaven is welcoming an angel back because there's no way she wasn't sent to us from someone above, and now I'll always have two people to think about everyday and remember all the greatness she put into my life love you grandma.
