“ I was so sorry to hear of Christine's passing. I don't believe I have ever known a person so positive. Even though she continually had health problems, she never seemed to be worried- always stating that she was in good hands (meaning in God's care). I was happy to have her join the Senior Choir, because she had a sense of joy about her.

We'll miss her in our group when we are allowed to start back. May God bless you in the days ahead as you cherish the time you had with your Mom and grandmother.

Sincerely,

Betty Turner
