“ Doogie was such an amazing man....I had known him ever since he was a little fellow...and back then we called him "Spanky"!!! He was then, and always full of life and laughter. He and my brother, Robby grew up together....thru good times and bad...they always had each others backs!! I'll never forget at Robbys memorial service....Doogie just hugged my neck so hard and cried his eyes out!!! He told me that day to look at his shirt....he turned around and low and behold...the word "VENGEANCE" was wrote across the back....I will never forget you, Doogie....and hopefully justice will be served for whoever did this!!! RIP my friend....❤️
