“ *In my mind I can still see you smiling. You was just like the mother I never had. You was so good sweet and kind to me and I miss you oh so much. Your love for God and your family was immeasurable. Never was there a time when I needed you and you weren't there for me. It seems like just yesterday when I bought Jamie home to see you for the first time and you held her. Jamie grew up loving you and she knew what I knew that you were oh so precious and she knew she was loved beyond measure. I seen what a loving mother you was to your children and grandchildren and I saw the love of God in you. I'm looking forward to the day when we will be together again and until then I will cherish the memories I have of you and your sweet smile that always warmed my heart. Love June*
