“ Mrs Richardson was a wonderful neighbor when we were growing up in Westover. I was sad to hear of her passing when Stephen and Rodney called me over the weekend to tell me. She and I stayed in touch for many years, sharing memories and news of our families after my parents passed away. I treasured her letters and still have them. I attended Woodlawn growing up and while in Danville a few years back at Easter I visited the church and she was there. We had a lovely visit and I really enjoyed seeing her. My deepest sympathy to Kay, Keith, Mark, and Lee. We share many childhood memories. I will keep you in my thoughts and prayers.

“ I worked with Frances at Security Bank and Trust many years ago. She was always a lovely, sweet lady, and it saddened me to hear of her passing. I remember when her first child was born. She brought the baby in the bank in a stroller. I told Frances how good she looked. She thanked me and said since the baby had come no one had noticed her, always talking about the precious baby. She was laughing, of course.

“ Frances always enjoyed a visit after we moved from Danville, she was always a gracious hostess and love to talk about her family and hear all about ours. She is one fine christian lady and I know her and Marj are catching up on all the news. She and Coy raised one fine family. The Lord has bless them and one day we will meet again in Heaven ! Love and prayers and thoughts for all of the family from The George Hensley family !
