“ When I first met Frank, I knew he was a special person. He moved to Virginia and purchased a home from me. He was ready to become a Virginian and relax since he had retired. He brought his mother with him and Frank always had others placed before his needs. He was a dedicated family man. I was sad to hear of Franks illness and his passing. He will be greatly missed but I am sure he is smiling down on those whom he loved and will always be in their hearts. A person moves on but their memories and love will be everlasting. He has a Special son-Keith and a daughter that can carry on his wishes for enjoying life. We will miss Frank.

I was the GM at the hotel where Frank and Betty stayed when they were in the process of moving to Danville. We made a connection right away, as we were all northerners and Frank was a very outgoing person. After they bought their home they would stop by the hotel from time to time just to say hello. I was not aware that Frank was ill and was so sorry to read of his passing. He was a lovely man who smiled all the time and just made you feel good to be in his presence.
