“ There can only be one Leon. He was my brother-in-law for some years but a friend for life. After being gone for so many years I watched out my window as a man got out of his truck and began to walk up my walk. There was no mistaking that gate!! It was Leon to my surprise. I was about 18 when I met Fuzzy so I suppose Leon was in his mid 30"s. Leon was so much fun to be around in those years. My young sons were fascinated by "The King" as Fuzzy called him. Daniel, Patrick and Hamilton are all out west and wish they could be here for the passing of Uncle Leon. Thank you Leon for all the fun and all the great memories you leave us with. We all love you.
