“ I’m saddened and shocked to hear of Fred’s passing. He moved almost as fast as his mind where no one could possibly keep up with him. I can just see him cutting up and dancing up there right now with that distinctive laugh of his. Fred became a such dear friend to me through the years as he visited Myrtle Beach. I will certainly miss our talks, his candor, cooking and his kindness. My deepest condolences to his family he loved to so much and to his dear Wanda. His love of life will forever be remembered here on the shores of Myrtle Beach. Play on Fred, play on.
