“ *A couple of weeks ago I found out Fred was in the hospital and then going the nursing home. This morning, I planned on going by the nursing home to visit him but, unfortunately, before I made it to the nursing home this evening, I learned that he had passed away this past Friday. I was upset that I didn't make it by sooner. I met fred several years ago while I was working to Dell'anno's Downtown. He was such a caring and sweet man. I knew exactly what he wanted, depending on the day. As soon as I would see him walking across the street, I would go ahead and ring in his order so he wouldn't have to wait very long. You will be missed by many along with the staff at Dell'anno's. I will always remember you and your sweet tea and spaghetti order EVERY Thursday!! RIP Fred!!*
