“ Gary was a wonderful friend in the late 1970s. I am so sorry to say that we lost touch. He was the same good looking guy in the picture, he always had a smile on his face and was quick with a story that was guaranteed to make everyone laugh. It was only 2 weeks ago when I was trying to find him on FB. I want his current friends and family to know that David and Karen Tatum remember Gary and are so sorry to hear that he had been sick and has now left this earth.
