

George "Danny" Daniel Holland

January 10, 1950 - December 5, 2022

George Daniel "Danny" Holland, 72, of 196 Nunnally Road S, Pelham, NC went home to be with his Lord on Monday, December 5, 2022 at his residence after being in declining health for the past four months.

Danny was born in Reidsville, NC on January 10, 1950 to the late Ruby Odell Holland and Peck Holland. After his father passed away when he was a young child, Ruby married Ira Powell who was the father who raised him.

Danny served his country in the United States Army, serving from 1968 to 1973 in the Military Police as a MP and was stationed in Korea.

After his service he had a 40-year career in law enforcement. His career began in the Danville and Reidsville, NC Police Departments then when he moved to Rockingham County and began working at the Sheriff's Department where he reached the level of detective. He went on to work for Long Beach, NC and Southport, NC Police Departments, and ended his law enforcement career with the North Carolina Probation and Parole Department in Brunswick County.

After his retirement from law enforcement, Danny started a thriving paint contracting business that he owned and operated. In 2001 he moved to Caswell County, NC and continued his paint career until going to work for Plyer Supply Danville.

Danny was a devoted son, husband, father and friend. He had a great sense of humor and stated as he was near death "This can take everything from me but my sense of humor." He loved animals and always had pets. He was also active with youth sport groups, coaching T-Ball, Little League Football and girl's softball.

On March 18, 1972 he married Bambi Morris Holland who survives of the residence. They had just celebrated their 50th wedding anniversary.

In addition to his wife, Danny is survived by his daughter, Dusty Lynn Britt and her husband Bill of Banner Elk, NC; his brother, Bobby Holland and his wife Cheryl; and several nieces and nephews.

He was predeceased by his brothers, Jack and Billy Holland; and his sister, Judy Rogers.

Bambi so sorry for your loss of Danny. He always seemed so caring and totally devoted to you. Loved our ongoing joke of wanting to "hire" him. May God give you peace in knowing he loved you so much.

“ Danny was a friend who was part of my sister’s gang she hung out with on the 60’s. Several years older than me, I thought he was so cool on his motorcycle & in his military uniform! He always took time to talk & play a little catch as I always had a glove & ball somewhere close. He, Clyde Poindexter, & coach Mr. Charlie Morris worked with our Caswell County youth team to make us better & eventually county champs! Later in life we kept in touch when we saw each other & later through Facebook, both being Republican Conservatives! Danny was so proud & loved his family so much! I’m sure he will be greatly missed! He was a friend to all! May God bless his family & friends with his comforting hands during this your time of bereavement! 🙏

“ For someone who could do everything, both practically as well as technically, for someone who was strong, dependable and yet gentle, for someone who touched so many lives, I send my meager words of appreciation, knowing those words are so inadequate to comfort the family he left behind. God will get you all through these difficult days ahead. Depend on him. Sending prayers and condolences to Bambi and family.

“ *Danny was always the same every time I came in contact with him. He was always friendly and upbeat- I was always happy to see him when he came to the Orthopedic Clinic (Spectrum) to see his precious Bambi Lynn/. You could not only see the love they had for each other but could feel it- You could tell he was a man of high principles and faith. And yes a wonderful sense of humor- My heart breaks for Bambi but am thankful she had the life she had-full of love and lots of new homes and beach trips- Not to leave out the Mountains of Boone that they dearly loved visiting together-You will be missed by all who knew you-*

“ My condolences and prayers. I served with Danny at the Rockingham County Sheriff Dept and had the pleasure to train with him after I was hired there. A "true" law enforcement officer who was respected by all. He also had a great sense of humor. I'm sorry that we never got to go get that biscuit. Rest in peace brother.....well done.
