“ Sarah:

I am sorry to learn of George's passing. I really thought a whole lot of George & enjoyed working with him on his timber projects. I know that George is rejoicing in heaven now, but we will miss him greatly. Please accept my condolences & I am sorry I was not able to attend the family gathering since I was out of town. God Bless You.

“ Dear Sarah and Family,

What a blessing to have known George. He was a testimony to the difference the Lord can make in a life. He changed the way John views Ford drivers! He showed us how to love family. We cannot imagine going to church and waking up in heaven.

*Sarah, what a special day John shared with you on Thursday.
Thank you!*

We will miss him so much but find great comfort in KNOWING that he is with our Lord and Savior and one day there will be a glorious reunion.

With our Love,

John and Judy

“ We first met at Jan and Brenda's a few years ago and it was as if we new each other forever. Such sweet and kind people, the souls that leave a very good a lasting impression that we will never forget you. Your dogs were so beautiful and they must have enjoyed the bird hunting too. Every year we looked to see if you made it up bird hunting and sure enough there you would be on Sunday morning sitting in your usual pew. Sara we are so sorry for your loss. But knowing the lord is there bringing you through this is so calming and reassuring that you will be ok. Our condolences are extended to all family and loved ones of George. We are glad you were able to make this last trip to the Allagash together. Hope sometime you will be able to come back to visit us again. The Albert's Allan Carla Mistie and Krista

“ Dear Sarah,

What a privilege it has been for me and Rodney to have known you and George. I enjoyed our times together at mom's eating pizza, talking with you folks. I'm so sorry I didn't get to say hi to you before you left. I pray God keeps His arms around you and the family through this time of loss.
