“ I only knew George for a week when I met him in the hall by the nurse's station at Riverside Health. I was passing by when his sweet face caught my attention. I stopped to chat and pray with him. After asking him if he knew the Lord as his personal Savior and he quickly replied yes. I was blessed to visit him once or twice after that. It was when I looked for him Tuesday that I learned of his passing. My prayers are with his family as I know at any age a death leaves a void. Based upon George's faith, he is now with the Lord and is pain free.
