“ Dear Cynthia and family,  
My deepest sympathy to you all. I have so many wonderful memories of your Mom and Dad, both at church and on the bus trips we made together. Gerline always had such a pleasant smile and kind words when I would see her.

Love to all of you.

“ Dear David,  
Was shocked to hear about your great loss. Your Mom was a kind, friendly and gentle lady. I enjoyed seeing her at Dan River when I took my Mother to church in later years. As a young child, my parents took me to Dan River and I can remember we always saw the Weatherford families there .  
Please know that Wayne and I are remembering you and your dear family with  
Our Love, Prayers, and deepest Sympathy.

*Dear Cynthia and David, So sorry that Geri has gone from you, but she will be with you in spirit. I use to go to Aunt Fannie's home and we had so much fun. She is in comfort and peace now with her Savior. I knew she was in pain, but now she is at rest. Love and sympathy to you all and family. Extend my love to Audrey and J.B. From Cousin Marguerite Brumfield Finch.*
