“ Today I feel a little emptiness now that Dad and Gladys have passed on. I truly believe that Dad is happy now that they are reunited. Gladys' help has shaped me into the man who I am today now that I am older and have a family of my own. I remember her love for flowers and that every spring my wife and I plant them around our home. She was a tough woman and caring and special she took very good care of my Dad. I don't know enough words to explain what I mean. I have a lot of fond memories growing up at 537 Parker Rd. with Dad and Gladys and my little brother and thousands of mental pictures. Gladys will always have a place in my heart. Love Craig
