“ Mrs. Herndon was so good to my children, Sara, Mary Sue & Allison. They went to Mother Goose Day Care for a few years and she always took such good care them and they learned a lot. She hired great people to help her and the building was always clean. Her graduation ceremonies were always memorable. May God be with her family during this difficult time and may their lives reflect her love of Christ!

Such a sweet lady! My son went to Mother Goose, she was always so kind and loving to the children and just doted on her sweet grandson Tyler. A very precious soul. Thank you Mrs. Herndon for all you did for these now 30 something children.
