“ Bonnie,
My deepest sympathy to you on the loss of your mother. I've been thinking of you after your move from Durham in order to be closer to, and to care for, your mother. You were always so kind to my own mother who lived close to you in Willowhaven. Whenever we drove past your home, she'd remark how nice it was and that she really enjoyed its aesthetic. She passed away in 2019. It's nice to have happy memories and know that you've touched others' lives. Thank you - and may happy memories comfort you and your loved ones.
Peace be with you.
