“ When we were at D.V.F. Greg came by and handed us little Chick
fillet cows that he had found on the side of the road .. lol. I think they
had been dropped from planes as advertisement. He said he
wanted us to know someone was thinking of us setting in the office,
too sweet. My little dog loved that cow.

“ *It's hard to believe. I work at Johnson Elementary and always looked forward to Dan Valley deliveries. Greg always came in with a SMILE that was contagious. We would joke around and I am so honored that I got to know him. I know it is sooo hard and I know he is not hurting anymore but the ones left behind are. My thoughts and Prayers are with you all. I know he is SMILING and watching over you all. GOD BLESS!!!!*

“ My Greg,
I still can't believe you're no longer here. I know you're happy and cancer free now which makes my heart so happy, but at the same time it feels completely shattered. I don't know how to go through life without you, but I'm going to try. Thank you for giving me the best years of my life. If I had to do it all over again, I would without a doubt. You are the true love of my life and my heart will always be yours. Wait for me. I love you!
