“ *This man was like a father figure to me. We both loved cars and Dale Earnhardt! Chickie told me one time the best thing you can learn in life is how to use your hands, he taught me alot. Automotive, fishing, and how to even have some fun in life. No one gave him anything, he earned his life and was a great inspiration to me. Thank you for that sir. You will always be in my heart and mind.*

*“ There is so much I can say about my Uncle Chickie. He was one of a kind. He loved to pick at you, tell you some crazy joke, but most of all he loved everyone and would do anything to help you. He never complained or got mad, he was a humble person, just like his dad, my papa. He has stayed up all night putting in a transmission in my car, so I didn't have to go without a car...that's was the kind of person he was. When he came to stay with us to help my mom with my step dad (he was dying with cancer), he never complained. I remember when I was 16, and only had a learners permit, he let me and my friend cruise Riverside Drive and he laid in the back seat, so we would be cool. I could keep going on the great and wonderful memories of my uncle. I know this isn't good bye, it's just see you later Uncle Chickie. I love you bunches, Kim*
