I will always miss my father. I learned so many things from him from fixing cars to remodeling homes. Dad I really can't believe you're gone. I remember watching the Daytona 500 in the house when we lived in Naples, Italy back in 1999 cleaning and eating the fresh muscles we got that morning from the fish market. I love you always and will always be your little girls dressing up in your uniform....

God has closed the door to sickness forever for Tim. He is now at rest with his sweet Mom and Jesus. May you find comfort in knowing that Jesus will not leave you comfortless. His Holy Spirit will give you the peace and strength you need to get through this time of sorrow. May it help to know your friends are praying for you and your family. God be with you and bless you all.
