“ Harry was a very good person. I had worked with him at the hospital; very hard working. He never complained about anything and was good at taking care of people. He set the bar high as they say. I will be praying for all of family.

“ I was just shocked to hear this. I always thought Harry would live forever! His sense of humor and his love for people will always be remembered. If you think back to the 1980s, then you know how much I cared for Harry. I should have kept in touch with him, but I did not. My love and prayers to you guys. I'm so sorry.
