“ I am very sorry to hear this news about Harry. We met at VCU in 1975 and became friends. We stayed in touch and visited occasionally over the years since Richmond. Harry had a number of different interests, and we always had a lot to talk about when we caught up from time to time. I'll miss him. Jim S.

“ I met Harry about a year ago in Chatham !! He was taking pictures of birds on a side street . I stopped to ask about the lens he was using. From that he sent me beautiful shots of the many birds he took !! Harry had a great eye for photography. I'm in shock , didn't know he was ill . Deepest sympathy to all of you ! May great memories and the good Lord help you through this dark time !! I will be fore ever grateful for the day I met him , I will also cherish all the pictures and notes he would e-mail ever so often !! I will miss his e-mails and never forget what a great photographer he was !!

Harry and I were best friends as boys. I have many fond memories of our trips to Lakeside Amusement Park with his family, going to birthday parties at Park View Skating Rink, attending concerts as teenagers and just growing up together and having fun. I did not know he was sick and only learned of his death Sunday afternoon. We hadn't spoken in several months and I was shocked when a mutual friend told me of his passing. He was a true friend.
