“ To the Family: Please know that all of you are in our prayers and thoughts during this sad occasion of the passing of Harry. He will always be in our memories as a hard worker, a very caring person who loved his family deeply and you knew he meant it. A person who would rather give and to receive, and willing to help out another human being. Wonderful traits and a wonderful man. God bless each of you

“ Harry Oakes and family,

Harry, so sorry to hear of the passing of your Dad. Recently saw the obituary and just wanted to reach out and let you know I've been thinking about you and your family during this loss. May God somehow bring your family peace during this difficult time. I enjoyed getting to know you while working together at Times Fiber. I am sure your Dad played a great part in creating your tremendous work ethic and personality, he did a good job! Take care and peace be with your family.

“ *Our deepest condolences for your entire family. We will be praying for your comfort in the days to come. It seems reality tends to set in more then but know you are surrounded by many who love you. Reach out when you feel the need to talk to someone, when you feel you need to cry and talk about your sweet dad and when you feel you need to share a story about a precious memory. Love and sympathy to you all.*

**** Larry had ask me to make sure I sent flowers but after seeing your requests to do something kind for a stranger that is what we did. We will be donating money to the Danville Cancer Association in memory of Mr. Harry Oakes, Sr. 😊*
