“ *This beautiful angel that God sent from above.Has returned to the one that she loved so very much.This beautiful lady has prayed for so many in her lifetime.She prayed for healing, prayed for people for salvation and more for she knew the master and his hand and she knew what our Lord and savior Jesus Christ could do.She had been my angel so many times to pray for me when I could not pray for myself.Not only the prayers but that kind loving way and smile she had. What an awesome crown she has received.Knowing my sis she will lay it at Jesus feet.Rest easy till I meet you again my beautiful sister in christ.I sure will miss you.Thank you for your precious service of telling about Jesus love for us.See you later my friend.PS To Sis. Hazel's family please know that my prayers are with you.I didn't see or hear of her passing till a day after her service or I would have been there.I Pray that it comforts your heart to know she's in God's arms till you see her again*
