“ I remember Heather Oring as a teenager. We both went to Forest Hills High School. I might be able to find one or two pictures of her as a schoolgirl. I visited her (parents) home while we were still at FHHS. Then, while she was going with Charlie I visited them in some apartment in Queens. I recall his family owned Silverman Drugstores. We lost touch, as people do when their life situations change. Every now and then i would search for her online. Sorry to hear that she is gone. Rather late for condolences but I wish Charlie well as well as Heather's siblings and extended family. I moved from Queens, to New Jersey, then to Clearwater, Florida.

“ I'm saddened to learn of your loved ones passing. To Harris and the rest of the family I will be keeping you in prayer that the Lord will bless you with comfort.
