“ To Linda and her children - Helen was a wonderful person; she had a wonderful personality; she had a beautiful smile; she was caring, sweet, and beautiful; she left behind so many wonderful memories, and she reminded me so much of my mom. She will be loved, remembered, and missed by those who knew and loved her, but we will see her again one day. We will be praying for comfort in your time of grief and sorrow.

“ My precious sister, I have known and loved you for 72 years, what a journey. For the last 16 years you have been my best buddy and we have shared so many things together. Nothing will ever be the same without you, there will always be that important piece missing. Thank you for being a great Sissy to me. I remember what you said in the hospital recently, I love you but you still know how to irritate me and laughed. That was my job as a little sister. You were so special to me in so many ways. From my care to Jesus arms where you will never hurt anymore. I will see you again but until then, you will live in my heart and my memory of you will remain strong. God's greatest gifts to me was his son Jesus, Husband and Family. I love you and would do it all again if I could. Your Little sister forever. Linda.

“ Mom I was proud to be your baby daughter. I enjoyed coming to Danville to spend time with you talking, laughing and reliving the past. I am so happy that you are no longer in pain and that you are in Jesus arms. Know that I loved you so very much and I promise to see you again one day and what a celebration that will be with you and dad. You baby daughter Pam

“ What can i say about My mother, she was an amzing sole who fought all her life to please others , she always put her self last . Although her life here on this earth was not easy she took it and ran with it.. she had 5 children that she loved and adored more than anything on this earth and she did everything she did for them.. I am convinced that she is now reunited with my father and her husband whom she loved through the good and the bad. Mom i may not have been allowed to say my final good byes to you but i prayed and talked to you every day. i pray for peace for you and for my siblings. i will see you again real soon mom, but in the mean time rest well in heaven, you deserve it so much... Give dad a great big hug from his hump hammer.... love you so very much.....Lisa H trinkle
