“ Dear Mark & Rebecca,  
We loved your mom Helen and treasure all our great memories together on Brentwood Drive over the many years.  
One of our fondest memories was of our San Francisco trip together years ago.  
Emma Turner, Joy Smith and your mom Helen all traveled with me to visit my daughter Kim for our California road trip to San Francisco, Napa Valley and Lake Tahoe.  
We all had the time of our lives enjoying many laughs and great adventures throughout our California road trip in a pink Cadillac convertible.  
I would love to share our California photos sometime with you which we took with your mom and our group together. Please contact me and we can walk down memory lane together with sweet and precious stories to share of your mom Helen.  
With much love,  
Barbara Conner
