“ To Luke , Sarah, and the entire Brandon Family, I extend my deepest heartfelt sympathy during this your hour of sorrow. I got to meet and came to like David through my years of friendship with Debbie. He was always kind to me and was always full of stories. He was a walking abundance of knowledge about any and everything. I know he will surely be missed just as much as he was loved! After his battle with health issues over the years, I guess the blessing is that he suffers no more. I pray David is now at peace and rests at the feet of his Lord and Savior. I know Miss Mary Mae has welcomed him with open arms and a smile. In the days & weeks to come, I pray the Lord will be your peace and will mend your broken hearts with love everlasting. May you carry the many memories you've made with David in your hearts until you meet again. Sending My Love & Prayers To You All Today and Always.
