“ Pam, I wanted you and the family to know that I was thinking of you today. It was a shock for me to read about Hollie's death. She was such a free spirit and a character for sure. She could definitely turn heads and fill a room with lots of laughs. I hope as the days go by you find peace in all the special memories you had with her. Please know each of you have a special place in my heart, and I will be thinking of each of you.

“ In the short time that I knew Hollie, it was apparent that she was not only a strong and fiesty woman, but a caring, kind-hearted, and beautiful woman that everyone thought of as more than a coworker...she was a friend. Hollie will be very missed, but by far, not forgotten. Please know that my family is praying that you feel the comfort and peace that only God can give in this time of sadness. All our love, Bill and Laura Tyree
