“ Vic, Robin and family, We are sad at the passing of a dear friend. Her smile and laughter brightened the day of any who were in her presence. She will be missed but know her absence here will be celebrated in heaven. Thinking of you with love and sympathy.

“ Vic & Robin,  
Was sorry to hear of your Mom's passing. I will always remember her laughter and sweet smile. Will remember the fun times we had at her (and your Dad's) home (down in the basement-playing games) and the good food she made. Also will remember the time we spent at the lake together and your Dad taking us for a ride on the boat (and watching Mike & Mark trying to water ski). Will miss her dearly and think of her often. Keeping you & your family in my thoughts and prayers at this difficult time.

“ I will miss my Aunt Holly's winning smile and giggle as she would tell those stories of her brothers and sisters growing up as children. She was my mother's best friend when my parents came back to Eden. I always loved Aunt Holly - she was so very special. I had the privilege of visiting with her in her home not long ago and it was such a blessing to see her after so many years! I wish I had spent more time with her.
