“ *Tommy my dear sweet brother, words cannot express how much my heart is breaking at the loss of you. You were more than just my big brother, I always knew you were there no matter what when or where if I needed you. You always told me that so many times that please know I love you and would do anything for you and I knew in my heart you meant it. Just knowing you were there always gave me security of love and now that is gone. But you go and rest now my beautiful brother because you have done all you can do here, it is time for your rewards now. Love you and will be seeing you soon. Be looking for me.*
